

## Three Regions road bike tour: Umbria, Tuscany and Marche (C 004 UMB)

A 5- or 8-day cycling tour

This is the right tour for racing bike enthusiasts. It is for those who would like to discover Umbria in all its aspects, thanks to this perfect combination of nature, history, hospitality and local traditions. The Umbrian landscape consists of rolling hills covered with woodland, vineyards and silver-green olive groves alternated with colourful fertile valleys. The nature in the North of Umbria becomes more rough and unspoilt. Here friendly hills change into a mountain landscape with scenic views of the Apennines. However, everywhere after the tranquillity of nature you will find friendly, lively little towns with atmospheric town squares surrounded by monumental palazzos, little alleys and many impressive churches and castles that will take you back to a time long-gone.

### Day 1 Arrival in your hotel in Assisi

The start of this cycle tour is in Assisi, belonging to the Unesco world heritage. In Assisi many places and monuments have a strong unbreakable bond with the saints Francis and Clare, who lived here in the 13th century. The medieval character of Assisi is well-preserved and there is a lot to see.

In the end of the afternoon drop off bicycles, if rented, bike fitting and route briefing. Overnight in \*\*\* or \*\*\*\* star hotel near Assisi old town centre.

### Day 2 Assisi - Torgiano

Today you can choose of two routes: a longer route or a shorter route. Today's bike is dedicated to the valley of Spoleto, also named the Valle Umbra. Both routes end in Torgiano, which in medieval times was a fortified village and is situated on a hilltop above the confluence of the rivers Chiascio and Tiber. Interesting to visit are the wine museum and the 'osteria' of the Lungarotti family, where you can taste their excellent wines.

Overnight stay in \*\*\* hotel.

The longer route passes through the entire valley. The terrain is varied from flat to hilly. You pass many small characteristic towns, like Montefalco, built on a hilltop and famous for its excellent wines, and Bevagna with its medieval square.

Artists like Benozzo Gozzoli and Perugino decorate the Franciscan church, now a museum, with magnificent frescoes from the 15th and 16th century. The next town you will visit is Bevagna, whose characteristic medieval square still hosts two Romanesque churches.
