

A wonderful valley: Assisi-Spoleto (C 001 UMB)

A 5-day or 7-day leisure cycling tour

The Valle Umbra is a great starting point for exploring the beautiful Umbria. This fertile valley, full of water and surrounded by green mountains and hills covered with olive groves and vineyards is an excellent place to have a relaxing cycling holiday. The valley is famous for its medieval towns and villages, because here we find them all Assisi, Bevagna, Montefalco, Spello and Spoleto. Your tour begins in Assisi, the city of pilgrims, situated on the slopes of Mount Subasio. Walking in a maze of streets, alleys and crossing squares with medieval palaces and fountains you feel like you have travelled hundreds of years into the past. The first ride is a round tour taking you to Spello, the town of Roman origins, as several features like the Porta Consolare, Porta Venere and the mosaics of a Roman villa, remember us. You return to Assisi cycling along a panoramic road. The next day you leave Assisi to reach Torgiano built on a hilltop covered by vineyards. It is worth visiting the Wine and Olive Oil museums. The next ride will take you to the medieval town of Bevagna, which has a cosy square full of life with not one, but two Romanesque churches. Pedalling along the cycle path, you enter Spoleto and surely, you will be charmed by the late medieval and Renaissance monuments of this city and by the imposing castle that from above dominates the town.
