

Day tour: Bike & Wine or Bike & Lunch (DTC 002 UMB)

A cycling, culture and gourmet day tour

This guided or self-guided tasty day tour 'Bike & Wine' or Bike & Lunch makes an unforgettable day !

You cycle through the beautiful Umbrian landscape with agricultural fields, vineyards and many olive trees, which have become now the symbol of the region of Umbria. The day tour departs from our bike deposit, close to Assisi, or from the winery. The first stop is in Santa Maria degli Angeli with its impressive dome of the Franciscan Basilica, visible from afar. The route continues along quiet country roads to Spello, declared by Emperor Caesar 'Splendidissima Colonia Julia'. This village retains many remnants of the glorious Roman past and famous works of art in palaces and churches from 13th to 17th century. You cross the historic centre and then join the Via degli Olivi (Olive Trees Road) from which you have magnificent views of the valley below. Finally, you make a stop at a family-run organic winery, where you still feel the strong and true winemakers' spirit of the past, where the grape still grows according to nature and the wine has a variety of scents and flavours.

This day bike tour is a pleasant day forgetting stress and tension dedicating yourself to nature, relaxation and taste !
