

Cycling and enjoying the Umbrian landscape (DTC 007 UMB)

Guided cycling day tours in Umbria

Breathe the scent of the earth, the wood, flowers and listen to the sounds of nature while you cycle along quiet dirt roads and country roads immersed in the unspoilt and lush nature of Umbria. Passing through known and less known places of this amazing land...this is the spirit of our cycle tours with our professional and expert tour guides Paolo and Cristiano. The tours can be combined with a wine-tasting or lunch in a winery. The tours have different levels: suitable for families to expert road bike and MTB cyclist. Here below you find some examples to have an enjoyable day in Umbria!

On request, other rides can be organized.

Short half-day tours:

A. The countryside of Assisi and Spello

Easy mostly flat cycling route passing S.Maria degli Angeli with its Franciscan Basilica and medieval Spello. You cycle with our guide along quiet country roads and make now and then a stop to relax. This cycling day tour departs from an organic winery close to Assisi or from our bike deposit in case you do not want to book the wine-tasting. The first stop is in Santa Maria degli Angeli with its impressive dome of the Franciscan Basilica, visible from afar. Along quiet country roads, you reach the medieval town of Spello. Then you cycle back along a panoramic route to the winery. You visit the winery, talk with the winemakers' and will taste their excellent products. It is also possible to

book Bike & Lunch. You can use your own bikes or rent one from us. We have also trailers, follow-me tandem, children's bike for rent.

Level: easy suitable for anyone. For small children we advise a trailer or child seat. Children from 8 yrs. and older a children's bike. You cycle mostly through the valley and only back to the winery there is a short climb to conquer.
