

WINEMAKER FOR A DAY (DTG 009 UMB)

Discover the experience of being winemaker and oenologist!

If you are curious to know how to make the organic wine Assisi Doc and what its main characteristics are, than this is the ideal tour for you.

The course examines each step to produce a bottle of organic wine. This exciting tour begins in the vineyards and continues in the winery with a brief lesson and a sensorial analysis of the wine. At the end of the course, you will also receive an apprentice winemaker certificate. A truly stimulating experience, you will have fun and learn a lot about this, which can be called "the art of making wine".

What is this Day Tour about?

You will have a guided tour of the vineyard and of the winery with explanation of the difference between conventional and organic viticulture.

Later you will have a brief viticulture and enology lesson and a sensorial analysis of 5 types of Assisi DOC and Umbria IGT wines. Wines will be accompanied by excellent bruschetta with organic extra virgin olive oil and a selection of typical Norcia salami, Umbrian cheeses and typical homemade desserts.
