Montefalco Wine Walking Tour with Wine Tasting in Umbria
This **walking tour with wine tasting** is a perfect combination of **nature, culture and flavour**, showcasing Umbria at its very best. Designed as an **educational and immersive experience**, the tour focuses on learning and awareness rather than just walking.

The **walk is suitable for everyone**, including **families with children aged 6 and over**. You will be accompanied by an **expert environmental guide** who will introduce you to the history of the area and to the grape that made Montefalco famous worldwide: **Sagrantino**.

During the walk you will learn to **recognise local grape varieties**, understand **vineyard pruning techniques**, and discover the **main seasonal activities** carried out in the vineyard throughout the year. Along the way, you will enjoy **peaceful landscapes**, surrounded by vineyards, olive groves and the ever-changing colours of the Umbrian countryside.

The walking tour takes place in the surroundings of a **family-run winery near Montefalco, Umbria**, in an exceptional area long dedicated to viticulture. The winery produces the main **Montefalco DOC and DOCG wines**, using modern **sustainable farming techniques** while respecting local traditions. After the walk, you will return to the winery where, **by reservation**, you will enjoy a **guided tasting of Montefalco's signature wines**, including Sagrantino.
A memorable experience for **wine lovers and families alike**, combining authentic flavours, nature and local knowledge.
